Attempt 3 OR 4 reds

All combinations can be taken in any order and in any direction in the opening.
 In the opening if you choose to do 7, you must select circles or squares and you must stay with that for the rest of the opening. In the closing, you must do the opposite for #7 (ie if you did circles in the opening, you have to do squares in the closing). #2 is bidirectional in the closing and #7a are bidirectional in the closing.
 Mistake in combo in opening? finish combo for zero pts and go on.

championship times:
 10"/12": 50 sec
 14"/16": 48 sec
 20"/22"/24": 46 sec
 Perf: +2 sec
