CHECK IN/MEASURING

=====

As this is our first trial, ALL HANDLERS WILL NEED TO SHOW THEIR REGISTRATION CARDS AT CHECK IN! This applies even if you sent in a copy of your dog's height card with the entry form or I have it on file from previous trials.

Your dog will need to be measured if you do not have:

- a copy of your permanent height card (yellow plastic), or
- a USDAA issued check in letter, or
- a print out of the dog's info from USDAA showing that the dog is permanently carded, or
- a blue temporary card that has 3 signatures, all within the correct jump height, or
- is not jumping full height (Ch26", P22")

Check in: 7am - 7:45am Saturday & Sunday. Judging to start at 8am.

If you need to be measured, get measured first, then go to the check in line.

At this point the class schedule will be as published in the test schedule. However, changes may occur throughout the weekend, stayed tuned for announcements at the event.
