Light Circles First, Dark Square Second
 During baton handoff dogs may be on leash, handler may hold dog,
 as long as there is no manhandling of the dog, no scruffing,
 Next handler may lead out, handler with the baton is the team being judged
 Example : first dog is still running the course, second dog gets excited and takes a jump,
 the team will not be penalized as only the handler with the baton is being judged
 Make sure first dog has fully completed the jump before the handler passes the baton

Each handler is being judged separately.
 Teams are judged with advanced rules.
 Off course is a 20 pt fault, refusals are judged on contacts only.

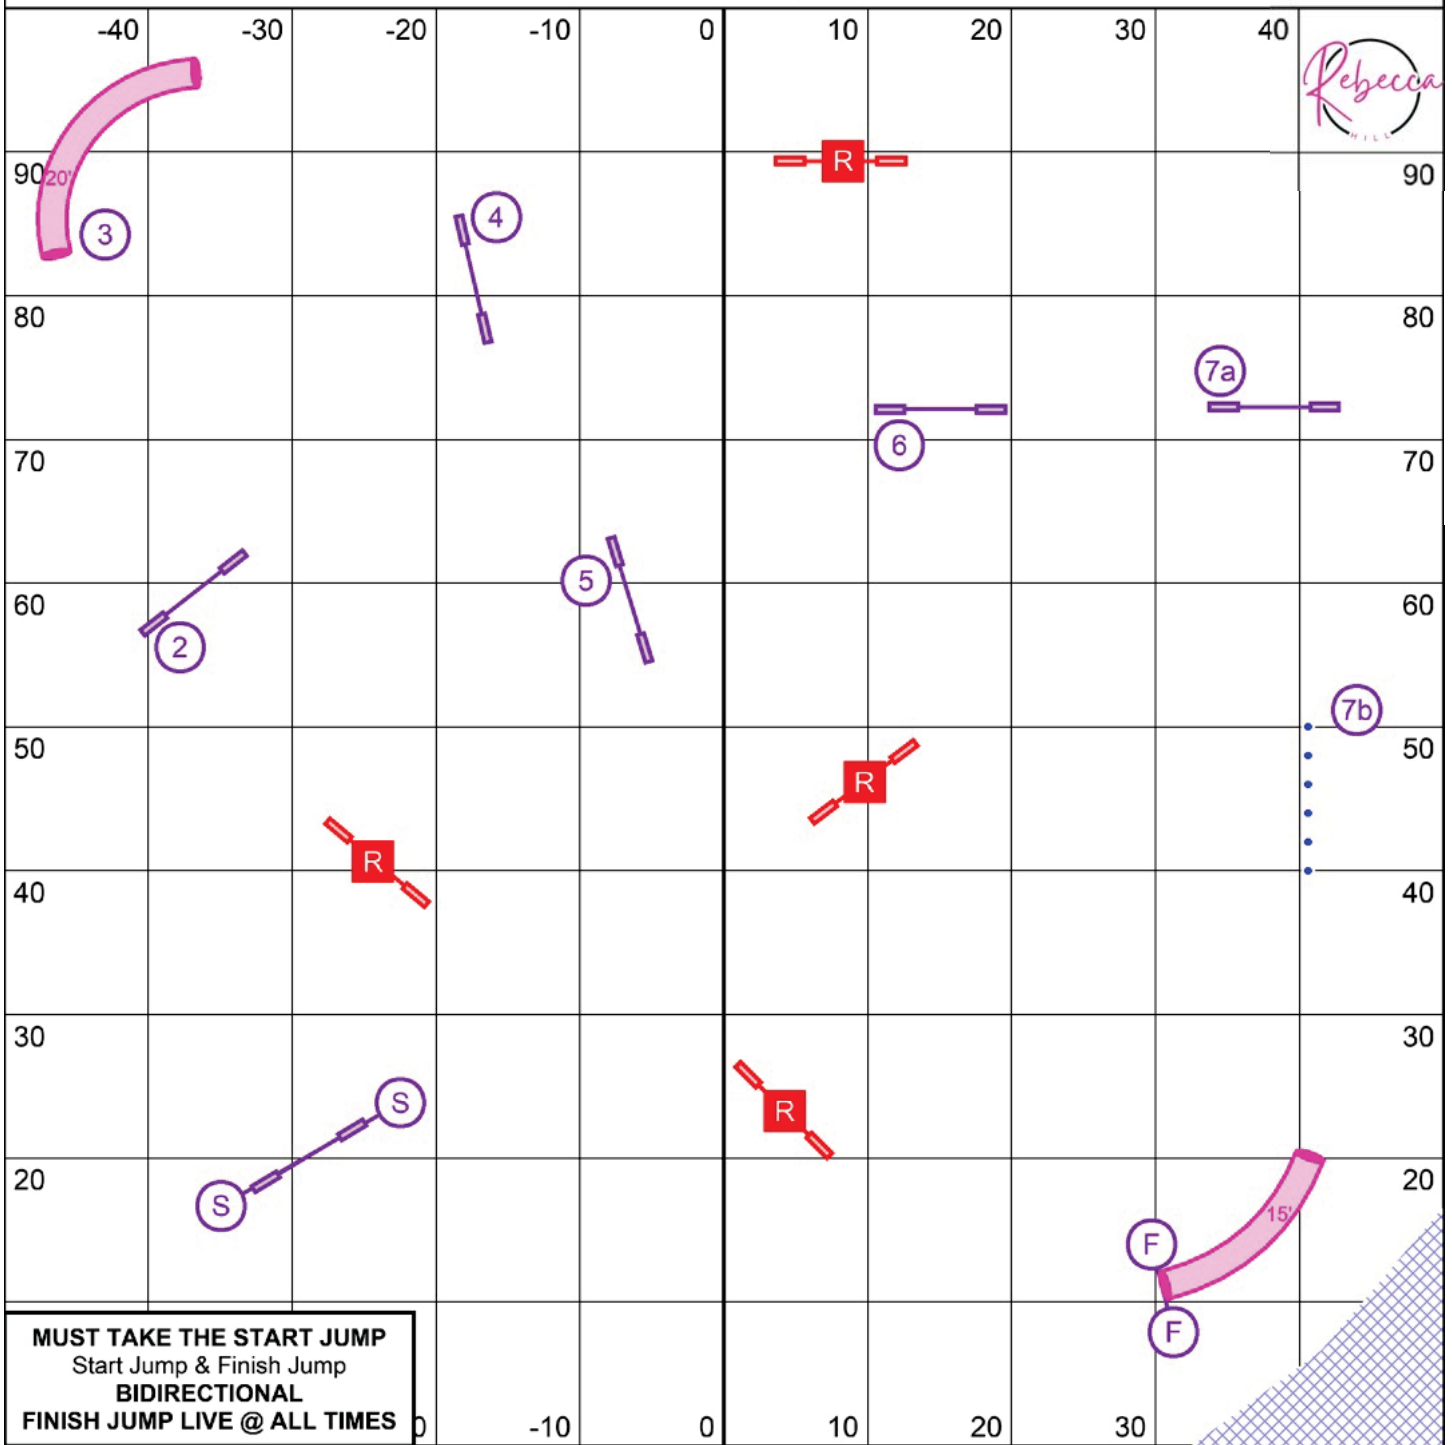

20 pt fault - thrown baton, 10 pt fault - dropped baton
 If team forgets the baton, the entire team receives an E
 Batons must be exchanged in the designated area, if exchanged outside of designated area it's a 20 pt fault
