

2026 Cynosport World Games

Entries On Hand as of Monday September 7, 11:30pm EST

This includes courier and mail for received up to Saturday and emails received up to Monday

NOTE: I was away as secretary for a trial from Friday September 4 to Monday September 6, 2026.

I am home now and will be starting on entries again this evening.

I took the names from the return addresses, so if your entry was included with someone else's entry, yours is here too – I didn't go into each envelope to get all names ☺

Will be processed in order of receipt. If you are on this list, you are "in"
