

2026 Cynosport World Games

**Entries On Hand as of Saturday September 12, 12:45am EST
This includes emails received to that point and courier/mail.**

We will take entries up to and including September 12 but you need to email!!!

**I took the names from the return addresses, so if your entry was included with someone else's entry,
yours is here too – I didn't go into each envelope to get all names 😊**

Will be processed in order of receipt. If you are on this list, you are "in"
